SALISBURY, N.C.--([BUSINESS WIRE](#))--Food Lion held its second annual "Feedy's" awards Wednesday at its corporate headquarters in Salisbury, N.C. The annual event honored food banks, community partners and Food Lion associates who share the company's commitment to ending hunger in the communities Food Lion serves and helped the company donate more than 290 million meals of its 500 million meal commitment by 2020.

The Feedy's honored the company's partnerships with 30 local food banks through years of service awards and presented Kids Café grants to 14 food banks through the Food Lion Feeds Charitable Foundation, totaling \$143,000.

Additionally, six awards were distributed recognizing an individual hunger hero, a Food Lion store, two Food Lion associates, one corporation and a food bank partner of the year for their passion and commitment to fighting hunger every day.

Throughout the year, Food Lion Feeds partners with its customers to end hunger through its "Summers Without Hunger," "Holidays Without Hunger" and Food Lion Feeds Apple Bag campaigns. When customers purchase these specially marked items, Food Lion Feeds donates six meals to a local feeding agency. This year, Food Lion presented five honorary in-store campaign awards to its stores who donated the most meals through these hunger-relief campaigns.

"At Food Lion, we believe no one should have to choose between dinner and rent, or gas and groceries, and we know today one in six Americans are struggling with that choice every day," said Meg Ham, president of Food Lion. "Our passion is helping to nourish and feed families through healthy, fresh, low-price groceries in the towns and cities we serve and shorten the lines at local food banks. Through this annual event, we will celebrate the local hunger heroes in our communities and honor those who are working to make sure no one goes hungry."
